All grant applications are due by 3:00 pm on February 27, 2023. Winners will be notified no later than March 3, 2023. Projects will need to be completed and progress reports submitted with photo documentation by May 17, 2023. The average approved grant is \$500. Priority will be given to projects that focus on beautifying your school campus through native plant species, azaleas, pollinator habitats, and outdoor study areas. Schools applying for this grant must have a physical campus in Mobile County. For more information call 251-366-6773.
